QUALIFICATIONS,
CONTINUED

Either I
Experience: One year of experience performing the duties of a Radiologic Technologist, Correctional Facility in the California state service.

Or II
Experience: Three years of experience, including training in radiologic techniques and methods, under an accredited medical radiologist. (Successful completion of the work required for a graduate nurse may be substituted for one year of this required experience and training.)

Or III
Experience: One year of experience as a radiologic technologist and successful completion of a two-year training program in radiologic technology approved by the Council on Medical Education and Hospitals of the American Medical Association, in collaboration with the American College of Radiology.

Qualifying experience may be combined on a proportionate basis if the requirements stated above include more than one pattern and are distinguished as "Either" I, "or" II, "or" III, etc. For example, candidates who possess qualifying experience amounting to 50% of the required time of Pattern I, and additional experience amounting to 50% of the required time of Pattern II, may be admitted to an examination as meeting 100% of the overall experience requirement.

Special Personal Characteristics: Tact, alertness, vision sufficient to perform the essential functions of the job; empathetic understanding of patients of a State correctional facility; willingness to work in a State correctional facility; emotional stability; patience; and keenness of observation.

Special Physical Characteristics: Persons appointed to this position must be reasonably expected to have and maintain sufficient strength, agility and endurance to perform during stressful (physical, mental and emotional) situations encountered on the job without compromising their health and well-being or that of their fellow employees or that of inmates or youthful offenders.

Assignments may include sole responsibility for the supervision of inmates or youthful offenders and/or the protection of personal and real property.

Additional Desirable Qualifications: Education equivalent to graduation from high school and a Therapeutic Radiologic Technologist certificate.

Applicants possessing the required certificate at the time of application must show number, title, and expiration date on their examination application.

EXAMINATION
PLAN

This examination will consist solely of an evaluation of each candidate's experience and education compared to a standard developed from the class specification. For this reason, it is especially important that each candidate take special care to accurately complete their application. List all experience relevant to the "Minimum Qualifications" shown on this announcement. In order to obtain a position on the eligible list, a minimum rating of 70.00% must be attained.

ELIGIBLE LIST
INFORMATION

The resulting eligible lists will be established to fill vacancies for the Department of Corrections and Rehabilitation. Names of successful candidates are merged into the lists in order of final scores, regardless of date. Eligibility expires **12** months after establishment, unless the needs of the service and conditions of the lists warrant a change in this period.

POSITION
DESCRIPTION AND
LOCATION(S)

A **Senior Radiologic Technologist, Correctional Facility (Specialist)**, is the advanced journey level in the series and performs the full range of duties as the sole civil service Radiologic Technologist, CF, in a State correctional facility or personally performs the most difficult technical work. Incumbents may also instruct or lead other civil service Radiologic Technologists, CF, as well as clerical staff or inmates. Typical duties may include any or all of the tasks performed by Radiologic Technologists, CF; maintaining inventory, ordering required supplies, and having responsibility for storage and dispensing of supplies; maintaining and updating procedures manuals; coordinating maintenance services on machinery; assisting in the preparation of the radiologic department's annual budget; and other related duties. All classifications in this series are responsible to maintain order and supervise the conduct of inmates and maintain the safety of persons and property.

Positions exist with the Department of Corrections and Rehabilitation throughout the State.

SPECIAL TESTING
ARRANGEMENTS

If you have a disability and need special testing arrangements, mark the appropriate box on the "Examination Application." You will be contacted to make specific arrangements.
